DUGGAN DIGEST

TERM 3 FRIDAY 25th SEPTEMBER 2015

FROM THE **DIRECTOR OF BOARDING**

Dear College Community

The second semester has been dominated by our Winter Co-curricular Program with Football and Soccer taking up the bulk of our students' weekend activities. I have been impressed with the commitment, desire and passion on display during each game. Many thanks to our parents who have taken the time to travel from outlying areas to follow their sons' development throughout the term.

Term 3 has provided many highlights. Congratulations to **Darcy Fogerty** and **Dominic Grant** for their recent selection in the AFL Academy, we are excited about this opportunity for both young men from Rostrevor. Well done guys.

The 2016 Prefects for Rostrevor has recently been selected, we are fortunate to have high quality individuals within our boarding community that have been successful in this process. Congratulations to **Bradley McCarthy** (Head Prefect), **Jackson Moloney** (Prefect - Community Activities), **Guy Hutchinson** (Head Boarder) and **James Snowball** (Prefect - Gurr House Captain) who are all now well established as leaders in their own right. I can confidently say that all of these young men will do their best to positively lead and guide our students throughout the upcoming year. I am certain their leadership styles will empower others to step up to the plate and deliver the high qualities expected of a Rostrevor student.

Much anticipation and anxiety creeps into the lives of our Year 12 students during this final stage of their schooling. Please utilise our tutors within Duggan House, everyone should seek assistance should they be struggling to complete or prioritise outstanding work. Our tutors are available throughout each week. Tapping into this resource will enable students to improve content in each subject.

I would like to sincerely thank the Rostrevor parents of our boarding community for their kind donations towards our up-coming Spring Fair. Our Raffle is now complete and ready for selling throughout the next few weeks and beyond. Books have been distributed to each of the boys.

The Paskeville Field days are fast approaching. You are most welcome to drop by and catch up with our hard working team.

Have a pleasant break, enjoy your holidays with friends and family.

God Bless

Eugene Evans
Director of Boarding

BOARDERS' FOOTY FEAST

On Tuesday 22nd September, we held our Boarders' Footy Feast. Our guest speaker was the SANFL, Essendon and Crows star Greg Anderson. Students and staff enjoyed a beautiful meal in colourful surroundings, with the majority of our crowd decked out in their favourite footy colours.

Greg spoke about his love and devotion to the game and experiences from his playing days kept everyone glued to his story. Coming from his "much loved Maggies" to then get approached to play in the VFL was quite scary. He knew the players went hard and had big bodies to contend with each week, hence his training program took place pretty much every day.

He played 150 games for Port Adelaide, 105 for Essendon and 62 for the Adelaide Crows, in addition he played 12 State games for South Australia. Greg won the 1986 Magarey Medal and had a massive year in 1990 to be a leading contender for the Brownlow Medal.

Greg also coached South Adelaide in the SANFL for four years. Greg is passionate about his football and still follows both the Crows and Port Power closely. I'm sure our budding young stars in the audience found Greg to be inspirational, as he rolled out some classy opponents like Doug Hawkins, the "big dipper" Robert DiPierdomenico from Hawthorn, the late Darren Millane from Collingwood and our own Tony Modra.

We also had a few lucky prize winners in Jan Hurley, Freddie Campbell and Alistair Sheehan all receiving AFL scarfs. Many thanks to our Chef Dieter and his team for their fantastic menu, the meal was much appreciated by all.

Congratulations to Kiarn Rigney-Smith who was presented the Boarder of the Term Award. Kiarn has shown great leadership throughout the term, well done Kiarn.

FIELD DAYS ALICE SPRINGS, DARWIN & RIVERLAND

Since the beginning of July we have travelled to Alice Springs, Darwin and the Riverland to participate in the local field days. I have been fortunate enough to attend each of these field days, which has given me the opportunity to meet some Rostrevor Old Collegians, meet future students and the families of some of our current boarders.

It has been a wonderful experience where we have re-established some connections that had previously been lost, including meeting the Mayor of Alice Springs, Damien Ryan ('72). Some of the visiting Old Collegians in Alice Springs were not so old but past students now working in there. All were proud to re-live the connection and tell us their own story.

During trip to Darwin we were lucky enough to have Alvaro Sabino join us on our stand

throughout the show. Many people passing by commented on Alvaro presenting in his Rostrevor uniform representing Rostrevor College. Well done Alvaro. In addition, the assistance from current parent, Mrs Cubillo, was also greatly appreciated.

Our most recent visit to the Riverland was very quiet, however both Annemarie (Advancement Officer - Enrolments) and I met many people from the surrounding areas who showed great interest in Rostrevor. We had a few Old Collegians drop in to say hello and welcomed the Catholic Parish Priest, Fr. Paul Bourke, in for a chat. Fr. Paul Bourke has a fantastic connection with many families throughout the Riverland and within minutes we had children at our stand wanting to know more about Rostrevor.

The networking within this region can only grow and it was great to see many who remain

passionate about Rostrevor. Many thanks to Annemarie for her assistance throughout the two days.

Coming up we will be visiting the Paskeville Field Days (29th September - 1st October), please drop by our stand, we look forward to meeting everyone who is able to make it.
